# The Climate of Poverty

Is climate change destroying development?

Speakers

**Dr Paula Clifford, Christian Aid  
Scott Morrison, Bath Friends of the Earth**

**Tuesday 7 Nov, 7.30pm,  
Bath Royal Literary & Scientific Institution,  
16-18 Queen Sq, Bath  
Doors open at 7pm  
Entrance £3 (£1.50 unwaged)**

A new report by Christian Aid explains how climate change is threatening development goals for billions of the world's poorest people but a revolution in development thinking could see poor regions using renewable energy to power a new, and clean era of prosperity.
